DESCRIPTION

The TA represents part of sequence of TAs to assist the Government, and teh Governments of Punjab (GOPb) and Sindh (GOS) with the preparation of a sector project suitable for Bank financing. The objectives of the Project will be to (i) reduce rural poverty and increase access for rural populations to markets and social services by improving and rehabilitating the province's rural access road network, (ii) preserve key road assets by rationalizing road maintenance processes, including the creation of provincial road maintenance funding mechanisms, (iii) improve important provincial highways that facilitate trade and provide access to income and employment opportunities, (iv) improve the efficiency and effectiveness of the provincial CWDs in planning, managing, and maintaining the provincial road network, and (v) promote private sector participation in road infrastructure through capacity building of CWDs.
