SUMMARY OF ENVIRONMENTAL AND SOCIAL ISSUES

The project was designed as a sector loan with environmental, involuntary and indigenous people's safeguards incorporated through frameworks. Before implementation each subproject went through a rigorous screening with REA, IEE, EIA, IPSA, IPR and SRP prepared as required. These were reviewed and approved by ADB's safeguards specialists in INRM as part of the concept approvals of subprojects. The related environmental management plans, SRPs, IPs and land acquisition were completed before award of contracts in compliance with ADB guidelines.

STATUS OF COVENANTS

Covenants are categorized under the following categories—audited accounts, safeguards, social, sector, financial, economic, and others. Covenant compliance is rated by category by applying the following criteria: (i) Satisfactory—all covenants in the category are being complied with, with a maximum of one exception allowed, (ii) Partly Satisfactory—a maximum of two covenants in the category are not being complied with, (iii) Unsatisfactory—three or more covenants in the category are not being complied with. As per the 2011 Public Communications Policy, covenant compliance ratings for Project Financial Statements apply only to projects whose invitation for negotiation falls after 2 April 2012.
