## GENERAL CONDITIONS

### ARTICLE I

#### Personnel

Section 1.01. Should it become necessary for the Consultant to replace any of the personnel specified by name in the Personnel Schedule, the Consultant shall forthwith provide a replacement acceptable to ADB with comparable or better qualifications. In the event that the person replaced is, at the time of replacement, in the field, the Consultant shall bear the travel and other related costs arising out of or incidental to the replacement. Under QCBS, FBS and LCS methods, the remuneration rate for any replacement shall be the same unit rate as provided for by the firm for the original candidate in its financial proposal. For QBS, CQS and SSS methods, the remuneration rate for any replacement shall be as negotiated between ADB and the Consultant based on supporting documentation. For any additional personnel proposed by the Consultant and approved by ADB, the relevant remuneration rate(s) and estimated out-of-pocket expenses will be as negotiated between ADB and the Consultant.

Section 1.02. In the event that any of the personnel is found by ADB to be incompetent, guilty of misbehavior or incapable in discharging the assigned responsibilities, ADB may request the Consultant, at the expense of the Consultant, to forthwith provide a replacement with suitable qualifications and experience acceptable to ADB.

Section 1.03. The Consultant shall ensure that the Personnel specified by name in Appendix B, and all other persons employed by or associated with the Consultant, shall not use business cards and/or stationery issued in the name of ADB, or featuring any form of ADB logo. The business cards to be used by the consultants when performing work under the Contract shall be in a format approved by ADB as indicated at [www.adb.org/Consulting/business-card.asp](http://www.adb.org/Consulting/business-card.asp). The Personnel of the Consultant and all other persons employed by or associated with the Consultant shall not take any action which may be interpreted to imply that they are staff members of ADB.

### ARTICLE II

#### Personnel Schedule

Section 2.01. Subject to the prior approval of ADB in accordance with Section 6.08, the Consultant may make adjustment in the periods of time indicated in the Personnel Schedule, as may be appropriate to ensure the efficient performance of the Services and provided that such adjustments will not cause payments made under the Contract to exceed the maximum amount payable as specified in Clause 8 of the Agreement.

### ARTICLE III

#### Performance of the Services

Section 3.01. The Consultant shall carry out the Services with due diligence and efficiency and shall furnish to the Government and ADB such information related to the Services as the Government, or ADB, may from time to time reasonably request.

#### ARTICLE IV Sub-Contracts

Section 4.01. The Consultant may subcontract work relating to the Services to an extent and with such specialists and entities as may be approved in advance by ADB, and shall submit to ADB for prior approval the text of any proposed subcontract and any amendments thereto which may subsequently be proposed. Notwithstanding such approval, the Consultant shall, as provided in the Agreement, retain full responsibility for the Services and for the content of all Reports required hereunder.

#### ARTICLE V Relationship of Parties

Section 5.01. Nothing contained herein or in the Technical Assistance Agreement shall be construed as establishing or creating between ADB and the Consultant a relationship of master and servant or principal and agent.

Section 5.02. The Consultant shall during the performance of the Services be an independent contractor retaining complete control over its personnel, conforming to all statutory requirements with respect to all its employees, and providing all appropriate employee benefits.

#### ARTICLE VI Payments and Mode of Billings

Section 6.01. ADB shall pay to the Consultant in respect of the Services, such remuneration and out-of-pocket expenses as set forth in Appendix C; provided that total payment shall not exceed the ceiling amount specified in Clause 8 of the Agreement.

Section 6.02. Remuneration shall be determined on the basis of time spent by the personnel listed in the Personnel Schedule in performance of the Services after the Effective Date (including necessary travel time) at the rates specified in Appendix C in respect of the personnel. Unless otherwise specifically provided for in Appendix C, such rates shall be fixed for the duration of the Contract. Remuneration for periods of less than one month shall be calculated on an hourly basis for time spent in home office on the basis of the hours per month as specified in Clause 7(a)(iii) of the Agreement, and on a calendar-day basis for time spent away from home office, including travel time (one day being equivalent to 1/30th of a month).

Section 6.03. Out-of-pocket expenses shall consist of the following types of expenses reasonably incurred by the Consultant in performance of the Services and as specified in Appendix C:

- (i) a per diem allowance in respect of personnel of the Consultant for every day in which the personnel shall be absent from the home office for purposes of the Services, at the rates set forth in Appendix C;
- (ii) cost of necessary travel, including transportation of the personnel by the most appropriate means of transport and the most direct practicable route;

- (iii) cost of international communications such as the use of telephone and facsimile required for the purpose of the Services;
- (iv) cost, rental and freight of any instruments or equipment required to be provided by the Consultant as approved by ADB for the purposes of the Services;
- (v) cost as approved by ADB of other facilities and services of the type specified in Appendix D, to the extent that they are not provided to the Consultant free of charge by the Government and as and when reasonably required by the Consultant for purposes of the Services;
- (vi) cost of printing and dispatching of the Reports specified in Clause 2 of the Agreement and in Appendix A;
- (vii) other allowances where applicable and provisional or fixed sums (if any) set forth in Appendix C; and
- (viii) cost of such further items required for purposes of the Services which ADB consider eligible for reimbursement hereunder.

Section 6.04. The types of out-of-pocket expenses listed in Section 6.03 may be covered by one or more fixed sums. Reimbursable out-of-pocket expenses as well as out-of-pocket expenses which are covered by fixed sums shall be specified in Appendix C.

Section 6.05. Payments to be made by ADB hereunder shall be strictly subject to, and representative of, satisfactory progress achieved by the Consultant in accordance with Appendix C. The Consultant shall, on a monthly basis, submit to ADB, in a format acceptable to ADB, a report stating personnel movements, inputs in the previous month compared to those shown in the Personnel Schedule and expenditures on receiptable items shown in Appendix C. In the event the forecast of progress as anticipated in Personnel Schedule is substantially changed due to variations pursuant to Section 17.01, the Consultant may request ADB to revise the Payment Schedule specified in Appendix C to reflect such change.

Section 6.06. As soon as practicable after the completion of the Services or termination of the Contract, the Consultant shall submit to ADB the Final Statement of Eligible Costs incurred, with vouchers and other appropriate supporting documents for such reimbursable expenditures referred to in Appendix C. The statement shall distinguish that portion of the total eligible costs which pertains to remuneration from that portion which pertains to reimbursable out of pocket expenses. The remuneration portion of the statements will be denominated in such currencies as specified in Clause 7(a)(i) of the Agreement. The out-of-pocket expenses portion will be denominated in the currencies of original expenditure.

Section 6.07. (a) Final payment pursuant to Appendix C shall be made by ADB only after the Final Statement of Eligible Cost and the Final Report have been submitted by the Consultant and approved by ADB. The Consultant shall submit the Final Statement to ADB within 90 calendar days of the date of approval by ADB of the Final Report. All costs, including out-of-pocket expenses, which have not been included in the Final Statement will not be paid or reimbursed. Should any discrepancy be found to exist between the actual payments made by ADB and the costs authorized to be incurred by the Consultant pursuant to this Contract, the final payment shall be adjusted by ADB to reflect such discrepancy.

(b) If no Final Statement of Eligible Cost is submitted by the Consultant to ADB within the 90-day calendar period specified in the preceding paragraph, or such extended period as ADB may agree in writing, ADB shall make the Final Payment based on the Contract's account record as certified by the User Unit, after offsetting/deducting amounts due to ADB, as applicable, such as outstanding advance payments or in connection with contract variations or for equipment. ADB will then close the Contract account after ADB makes such Final Payment as certified by the User Unit. All payment claims submitted to ADB, if any, by the Consultant after Contract account closure shall be denied and the Consultant agrees that such claims have been irrevocably waived because of its failure to submit the Final Statement of Eligible Cost within the stipulated 90-day calendar period or such extended period as ADB may have agreed to in writing.

Section 6.08. Payments in respect of remuneration or reimbursable out-of-pocket expenses, which exceed the cost of estimates for these items as set forth in Appendix C, may be charged to the contingencies provided for in Appendix C only if such expenditures were approved by ADB prior to being incurred.

Section 6.09. (a) Subject to Sections 6.01 and 6.05 above, ADB shall pay to the Consultants the amounts claimed pursuant to this Article VI within thirty (30) calendar days after receipt of satisfactory statements and supporting documents. ADB may add to or subtract from any subsequent payment any amount to cover the difference between the amount paid and the cost authorized to be incurred.

(b) All payments by ADB shall be made to the account(s) specified in Clause 7 of the Agreement. Except as may be otherwise agreed, payments with respect to remuneration shall be made in the currencies referred to in Clause 7(a)(i) of the Agreement and payments with respect to out-of-pocket expenses shall be made in US dollar equivalent.

Section 6.10. Payments do not constitute acceptance of the Services nor relieve the Consultant of any obligations hereunder.

Section 6.11. Whenever it shall be necessary to evaluate one currency in terms of another for the purpose of:

- (i) determining the maximum payment as specified in Clause 8 of the Agreement, the conversion shall be made on such basis as ADB may from time to time determine; and
- (ii) making payments in respect of out-of-pocket expenses, the conversion shall be made at such rate as ADB shall reasonably determine having regard to the currencies utilized in, at the time and place of, the original expenditure or transaction.

Section 6.12. (a) If required to make any payments to any governmental agency in connection with implementation of the Services, the Consultant shall:

- (i) make such payment only by means of check, pay order or through official bank remittance addressed to the account of the relevant agency;

- (ii) where payment to such agency account cannot be made, make payment to any employee of such agency (whether permanent, part-time or contractual staff), only upon prior written endorsement of ADB, and only by means of check, pay order or through official bank remittance addressed to the relevant account of the employee.

(b) In the event that a non-cash payment cannot be effected in a timely manner, cash payment up to \$300, or such amount as may be allowed under the relevant laws applicable to the government agency or employee as the case may be, whichever is less, may be made by the Consultant to the government agency or employee against receipt for such payment; provided that such payment is reported to ADB within 3 working days after such payment is made and a written explanation of the circumstances that necessitated such payment is submitted by the Consultant to ADB.

## ARTICLE VII Accounts and Records

Section 7.01. The Consultant shall keep accurate and systematic accounts and records in respect of the Services in such form and detail as are customary in its profession and are sufficient to establish accurately that the remuneration and reimbursable out-of-pocket expenses referred to in Article VI have been duly incurred. The Consultant shall maintain accounts and records for the period of the Services and for a period no less than 5 years after the expiration or termination of this Contract.

[Section 7.02. The Consultant shall permit duly authorized representatives of ADB, including auditors selected by ADB, to inspect and make an audit of all such documents, accounts and records in connection with payments made in accordance with this Contract, and make copies of such documents, accounts and records if so requested by ADB up to 5 years from the expiration or termination of this Contract. The basic purpose of this audit is to verify payments under this Contract and, in this process, to also verify representations made by the Consultant in relation to the Contract. The Consultant shall cooperate with and assist ADB and its authorized representatives in making such audit. Out of pocket expenditures covered by fixed sums as provided in Section 6.04 above shall, however, not be subject to audit pursuant to this Article. In the event the audit discloses that the Consultant has overcharged ADB, the Consultant shall immediately reimburse ADB an amount equivalent to the amount overpaid, together with interest on such amount calculated at the then current interest rate for lending by ADB from its ordinary capital resources, payable from the date of such overpayment until the date of reimbursement. If overpayment is a result of the Consultant having been engaged in what ADB determines to constitute corrupt, fraudulent, collusive or coercive practices, as defined in ADB's *Guidelines on the Use of Consultants by Asian Development Bank and its Borrowers* (Guidelines), ADB shall, unless ADB decides otherwise, terminate the contract. Such action shall be in addition to any action ADB may take in accordance with the Guidelines to declare the Consultant ineligible for award of further ADB-financed contracts.]<sup>1</sup>

[Section 7.02. The Consultant shall permit duly authorized representatives of ADB, including auditors selected by ADB, to inspect and make an audit of all such accounts and records in connection with payments made in accordance with this Contract, including a breakdown of remuneration rates and reimbursable out-of-pocket expenses, and make copies of such accounts and records if so requested by ADB up to 5 years from the expiration or

termination of this Contract. The basic purpose of this audit is to verify payments under this Contract and, in this process, to also verify certain information on rates and other representations made by the Consultant in relation to the Contract, hereunder during Contract negotiations. The Consultant shall cooperate with and assist ADB and its authorized representatives in making such audit. Out of pocket expenditures covered by fixed sums as provided in Section 6.04 above shall, however, not be subject to audit pursuant to this Article. In the event the audit discloses that the Consultant has overcharged ADB, the Consultant shall immediately reimburse ADB an amount equivalent to the amount overpaid, together with interest on such amount calculated at the then current interest rate for lending by ADB from its ordinary capital resources, payable from the date of such overpayment until the date of reimbursement. If ADB determines that the overpayment is a result of the Consultant having been engaged in corrupt, fraudulent, collusive or coercive practices, as defined in ADB's *Guidelines on the Use of Consultants by the Asian Development Bank and its Borrowers* (Guidelines), provided that the reference to the "borrower" in Section 1.23(a)(iii) of the Guidelines shall be deemed to be a reference to ADB, ADB shall, unless ADB determines otherwise, terminate the contract. Such action shall be in addition to any action ADB may take in accordance with the Guidelines to declare the Consultant ineligible for award of further ADB-financed contracts.]<sup>2</sup>

## ARTICLE VIII Indemnity and Insurance

Section 8.01. (a) Notwithstanding Section 12.02, the Consultant shall be responsible for, and shall indemnify ADB and the Government, in respect of loss of or damage to equipment and materials furnished by the Government or ADB, or purchased by the Consultant in whole or in part with funds provided by the Government or ADB.

(b) The Consultant shall take out and maintain adequate insurance against loss of or damage to such equipment and materials. The proceeds of such insurance shall be payable in a currency freely usable to replace or repair such equipment and materials.

Section 8.02. Subject to Section 12.02(e) below, the Consultant shall take out and maintain adequate professional indemnity insurance and insurance against claims by third parties resulting from acts performed in carrying out the Services.
