Thank you for your 2nd ADB's Draft Translation Framework. We agree with a Transl. Framework's view about all the matters presented in the document. I considered that it should be a main direction for a translation work of ADB for further implementation in the future. I hope that it would bring positive results.

Sincere compliment for you and all personnel of your Department of External Relations. And, best wishes for ADB in the future projects with new effective method to access to affected people.

Best regards,
Sincerely yours,
DUONG Lan Hai
