Vanuatu	36.7	-0.1	...	0.0	0.4	0.4

a Positive figures indicate deforestation rates while negative figures indicate reforestation rates.

b Refers to constant 1995 PPP \$.

c Data may refer to earlier years. They are the most recent reported by the World Conservation Monitoring Center in 2003, the UN, and DGBAS.

d Refers to nature protected areas as percent of national territory.

e Data relate to 1992.
