Rajveer Singh is an economist and management professional with specialization in local industrial development, Sub-sector - Cluster based industrial development, and Local Economic Policy.

He was awarded M. Phil in Industrial Economics and urbanization from the Jawaharlal Nehru University, New Delhi India, and served with National, international organization and developmental institutions.

He was a key team member in the cluster development programme of United Nations Industrial Development Organization (UNIDO). He was also appointed by UNIDO as INTERNATIONAL EXPERT ON CLUSTER BASED INDUSTRIAL DEVELOPMENT for Cambodia. He served as Technical Advisor in Gujarat, and Madhya Pradesh states in India for Cluster based development of MSMEs in these states.

He initiated institution-building programs to ensure Industrial Development and integrated/ competent Business Development Services (BDS) across India. He designed a scalable programme based on the theme ICT (information and Communication Technology) for SMEs as PROJECT VIKAS for Microsoft to improve their outreach to MSMEs in India in 2005-2006. Currently (2006-11), the programme is running in 10 MSME clusters all over India. He also served as a MEMBER (Working Group), in Department of Science and Technology, Government of India under different committees for technology adoption among entrepreneurs.
