

ADB Country Classification B1: With Bangladesh, Cook Islands, Marshall Islands, Pakistan, Sri Lanka, Tonga, and Vietnam

Table 1: Country Rankings	1996	1997	1998	1999	2000	2001
Euromoney country rank	25.8
Freedom House rating (free, partly free, not free)	1,1, F	1,1, F	1,2, F	1,2, F	1,2, F	1,2, F
Heritage House rating (free, mostly free, mostly unfree, repressed)
Table 2: Key Macroeconomic Indicators	1996	1997	1998	1999	2000	2001
Nominal GDP (US\$ millions)	210.7	207.5	207.1	215.2	228.2	
GDP growth rate (annual %)	-2.8	-3.6	-1.6	2.6	3.0	
Inflation (consumer prices, annual %)	
Market rate (US \$) end period average	1.4	1.4	1.4	1.4	1.3	1.3
Official exchange rate (US\$ average)	1.0	1.0	1.0	1.0	1.0	
Population	109,000	111,310	113,530	116,000	118,100	
GDP per capita (current US\$)	1,933	1,864	1,824	1,856	1,932	
GNI per capita, Atlas method (current US\$)	2,180	2,030	1,940	2,000	2,110	
GNI per capita, (current US\$)	2,174	2,059	2,015	2,067	2,173	
Aid per capita (current US\$)	1035.4	862.7	705.5	929.9	860.5	
Table 3: Private Sector Market and Capacity Indicators	1996	1997	1998	1999	2000	2001
A. Human Capital Capacity and Environment						
Labor force	
Unemployment-official (% of total labor force)	
Telecommunications (telephone mainlines per 1,000 people)	75.0	75.2	79.8	84.8	81.4	
Computerization (PCs per 1,000 People)	
Internet users	300	616	2,000	3,000	4,000	
Mobile phones (per 1,000 people)	
Adult literacy rate (% of people ages 15 and above)	
Access to improved sanitation facilities (% of population)	
Access to improved water source (% of population)	
B. Investment Capital-Capacity and Environment						
Public portion of economy (govt. expenditure as % of GDP)	74.8	65.6	79.2	76.1	66.5	
Gross capital formation (% GDP)	
Private fixed investment (% of gross domestic fixed investment)	
Foreign direct investment net inflows (US\$ millions)	
Simple mean tariff	
Weighted average mean tariff	
Foreign trade openness index (foreign trade as % GDP)	
Table 4. Foreign Trade	1996	1997	1998	1999	2000	2001
Exports (US\$ millions)						
Imports (US\$ million)						
Destination of Exports (% share)						
Origination of Imports (% share)						
Table 5. Sectoral Share of GDP (in %)	1996	1997	1998	1999	2000	2001
GDP	
Agriculture (% GDP)	
Industry (%GDP)	
Services (% GDP)	
Table 6. Capital Markets	1996	1997	1998	1999	2000	2001
Banking						
Domestic credit provided by banking sector (% of GDP)	-46.7	-43.8	-49.9	-40.8	-43.3	
Domestic credit to private sector (% of GDP)	28.5	28.0	31.7	32.9	31.4	
Interest rates						
Bank borrowing rates						
Discount rate (end of period %)						
Deposit rate	4.4	4.3	3.7	4.5	5.0	1.5
Bank lending rates						
Real rate	11.6	12.6	13.3	13.7	12.0	
Working capital	15.0	15.0	15.0	15.2	15.3	15.3
Money market						
Stock Markets						
Market capitalization of listed companies (\$ millions)	
Market capitalization of listed companies (% of GDP)	
Listed domestic companies, total	
S&P/IFC Investible index (annual % change in price index)	
Table 7. Transportation Sector	1996	1997	1998	1999	2000	2001
Road Vehicle Registrations						
Passenger cars (per 1,000 people)	
Two-wheelers (per 1,000 people)	
Vehicles (per 1,000 people)	
Vehicles (per km of road)	
Air transport						
Air transport, freight (million tons per km)	
Air transport, passengers carried	
Aircraft departures	

ADB Country Classification B1: With Bangladesh, Cook Islands, Marshall Islands, Pakistan, Sri Lanka, Tonga, and Vietnam

	1996	1997	1998	1999	2000	2001
Table 8. Agriculture						
Agricultural producer price, maize (\$ per metric ton)
Agriculture value added per worker (constant 1995 US\$)
Crop production index (1989-91 = 100)	16,780	16,780	16,780
Fertilizer consumption (100 grams per hectare of arable land)
Labor force in agriculture (% of total employment)
Land use, arable land (% of land area)
Land use, irrigated land (% of cropland)
Livestock, production index (1989-91 = 100)	2,088	2,088	2,088
Table 9. Energy						
Per capita primary energy consumption (million Btu)
Per capita primary energy consumption (% change)
A. Electricity						
Electric power consumption (kwh per capita)
Electric power transmission and distribution losses (% of output)
Consumption, total (billion kWh)
B. Petroleum						
Pump price for diesel fuel (US\$ per liter)
Pump price for super gasoline (US\$ per liter)
Commercial energy production (kt of oil equivalent)
Commercial energy use (kg of oil equivalent per capita)
Commercial energy use (kt of oil equivalent)
Energy imports, net (% of commercial energy use)
Table 10. Water and Sanitation						
Infrastructure projects with private participation (water & sanitation), \$ million
Access to improved sanitation facilities (% of population)
Access to improved sanitation facilities, rural (% of rural population)
Access to improved sanitation facilities, urban (% of urban population)
Access to improved water source (% of population)
Access to improved water source, rural (% of rural population)
Access to improved water source, urban (% of urban population)
Table 11. Education						
Pupil-teacher ratio, primary
School enrollment, secondary (% of gross)
School enrollment, tertiary (% of gross)
Table 12. Health						
Birth rate, crude (per 1,000 people)	..	27.9	26.3	..
Death rate, crude (per 1,000 people)	..	6.4	6.0	..
Life expectancy at birth, total (years)	..	67	68.0	..
Infant mortality rate (per 1,000 live births)	..	30	26.2	..
