District D.G Khan.

2. The Land Acquisition Collector,
C.R.B.C.
District D.I. Khan.

ASIAN DEVELOPMENT BANK

No _____ Dated _____

Dear Sir,

It has been decided by the G R S C that for the redressal of grievances of the affected people, interim directions where necessary, should be given to the concerned functionaries of the state.

Successively in the three meetings of G R S C, it was brought to the notice of the Committee that cash compensation is being withheld and not paid to the land holders by the Land Acquisition Collectors inspite of the fact that their cases are un-disputed and cheques have already been prepared. Similarly there are complaints that cheques are not being prepared in many cases for extraneous reasons, though their cases are un-disputed.

I have been directed by the Honourable chairman of the G.R.S.C. to convey to you the decision of the Committee:

i) Payment should be made to all land holders whose cheques have already been prepared, within one week failing which the matter shall be brought to the notice of the appropriate authority at the highest level.

ii) In all cases without dispute, the cheques, if not already prepared, should be prepared expeditiously and payments of compensation be made within one month.

You are requested to inform the undersigned regarding the actions taken by you in this behalf at the earliest.

Office Secretary,
G.R.S.C.
