Social Infrastructure					
Capacity Building for Housing Microfinance 4293	Housing and Urban Development Coordinating Council (HUDCC)	1,500.00	ADTA 18 Dec 2003	The objective of the TA is to assist the Development Bank of the Philippines (DBP) and HUDCC in establishing, installing, and initially supervising affordable shelter finance systems for the poor using a community action planning approach in the participating LGUs, microfinance institutions (MFIs), and community-based organizations (CBOs).	Housing and Urban Development Coordinating Council 6 th Floor, Atrium Building, Makati Avenue, Makati City Tel. +632 8114116 Fax. +632 8114159
Development of Basic Education in the Autonomous Region in Muslim Mindanao 4524	Department of Education (DepEd)	375.00	ADTA 23 Dec 2004	The long-term goal of the TA is to improve access to, and the quality of, education in the ARMM. The main purpose is to improve the capacity of DepEd-ARMM to plan and manage the development of basic education effectively, in a new decentralized context. The output of the TA will be the ARMM 10-year basic education development plan, 2005–2015 (BEDP). The BEDP will focus on strategies for closing the education gap between ARMM and the rest of the country. Specific proposals to meet future investment needs, based on the BEDP, will also be developed.	Department of Education NASA Compound, Pasig City Telefax +632 6359826

Metro Manila Urban Services for the Poor 4616	Housing and Urban Development Coordinating Council (HUDCC)	700.0	PPTA 19 Jul 2005	This project preparatory TA aims to assist the Government in its asset reform agenda, and in the implementation of a phased, metropolitan-wide 15-year strategy for slum eradication and urban upgrading in Metro Manila. It will initiate a process for formulating integrated urban development interventions by LGUs in support of the strategy, including support for the transfer of national government land to local governments, and in preparing an investment project for high-priority sites within Metro Manila.	Housing and Urban Development Coordinating Council 6 th Floor, Atrium Building, Makati Avenue, Makati City Tel. +632 8114116 Fax. +632 8114159
Support for Health Sector Reform 4647	Department of Health	1,000.0	ADTA 15 Sep 2005	The TA will provide support to enhance the implementation of Health Sector Reform Agenda (HSRA) and increase the utilization of affordable and financially sustainable quality health services by the poor. The TA will help build DOH capacity to streamline policy and refine monitoring systems, and assist LGUs to initiate and implement these reforms. The TA will help the Government give HSRA a head start in the 15 selected convergence sites ⁷ by streamlining policies; developing guidelines, concepts, and administrative orders; and harmonizing the processes between involved public actors at the central level. The TA will particularly accelerate HSRA implementation in up to five convergence sites under the HSDP. Japan Fund for Poverty Reduction (JFPR) Projects					
On-Site Integrated Urban Upgrading for Vulnerable Slum Communities of Payatas Project 9003	DSWD	1,000.00	JFPR 13 Dec 2000	The goal of the Project is to transform a selected urban poor community, which is located on a 3.2-hectare site in Payatas, into a sustainable and viable community with greatly improved quality of life. The immediate objective is to support an ongoing pilot effort to implement a complex set of physical, social, and economic interventions using an integrated, on-site approach. The synergy thus derived from this development model is expected to effectively address the multidimensional nature of urban poverty typically found in the Payatas or other urban neighborhoods of Manila.	Operations and Capacity Building Group Department of Social Welfare and Development Batasan Complex Constitution Hill, Quezon City Tel. +632 9319146-47
