

**INDONESIA – COUNTRY DIAGNOSTIC STUDY
SECOND CONSULTATION WORKSHOP
10 NOVEMBER 2009, JAKARTA**

Mr. Lukita Dinarsyah Tuwo, Deputy Minister, Development Financing, Bappenas delivered the welcome remarks.

Honorable Prof. Armida S. Alisjahbana, State Minister for National Development Planning/Chairman of the BAPPENAS chaired the workshop and delivered the opening remarks.

Mr. James Nugent, Country Director, ADB Indonesia Resident Mission, thanked the Government and stakeholders on behalf of ADB, International Labour Organization, and Islamic Development Bank for their keen interest and following of the study.

About 120 participants representing the Government, development partners, private sector, academe/think tanks and civil society attended the workshop.

Muhammad Ehsan Khan, Principal Economist, ADB presented the study findings.

A panel comprising representatives of the Government, notable scholars and ADB's Muhammad Ehsan Khan led discussions on the study findings.

Audience representing a wide group of stakeholders actively participated in the discussions.

Juzhong Zhuang, Assistant Chief Economist, ADB along with the Country Representative of Islamic Development Bank and Senior Economist of ILO Regional Office delivered the closing remarks.
