Thank you for BIC's comments on the Consultation Draft and your email of 1 April. It was pleasant to meet you, Chad, and Bruce at BIC office on 2 April to brief you on the consultations and provide feedback on your comments. We very much appreciate BIC's confirmation of its intention to be continuously engaged in SPU during W-Paper preparation stage.

As discussed when we met in Washington D.C., I would appreciate if we could arrange a phone call to further clarify and discuss BIC's comments someday this week. Please let me know the best time and number for me to call.
