Summary of Results and Findings

- This is work in progress.
- Once work is completed, PFTAC will review the compilation.
- A briefing will be made to the Macro Policy Committee then a press release will be out

Issues and Problems Encountered

- High staff turnover due to better opportunities being available
- A sudden lowering of the retirement age to 55
- Positions left vacant are not being filled
- Data availability within the required time
- Lack of knowledge to actually compile IO/SUT

THANK YOU
