

Annex 6. Group Activity/Discussion on Inventory of Water Shortage/Delivery Problems and Water-Saving Options and Constraints.

Two evening group discussions were conducted to solicit from the participants' information on (i) Inventory of Water-Shortage/Delivery Problems and (ii) Inventory of Water-Saving Options and Constraints. The participants were given Cards on which they have to write information relative to the above listed problems.

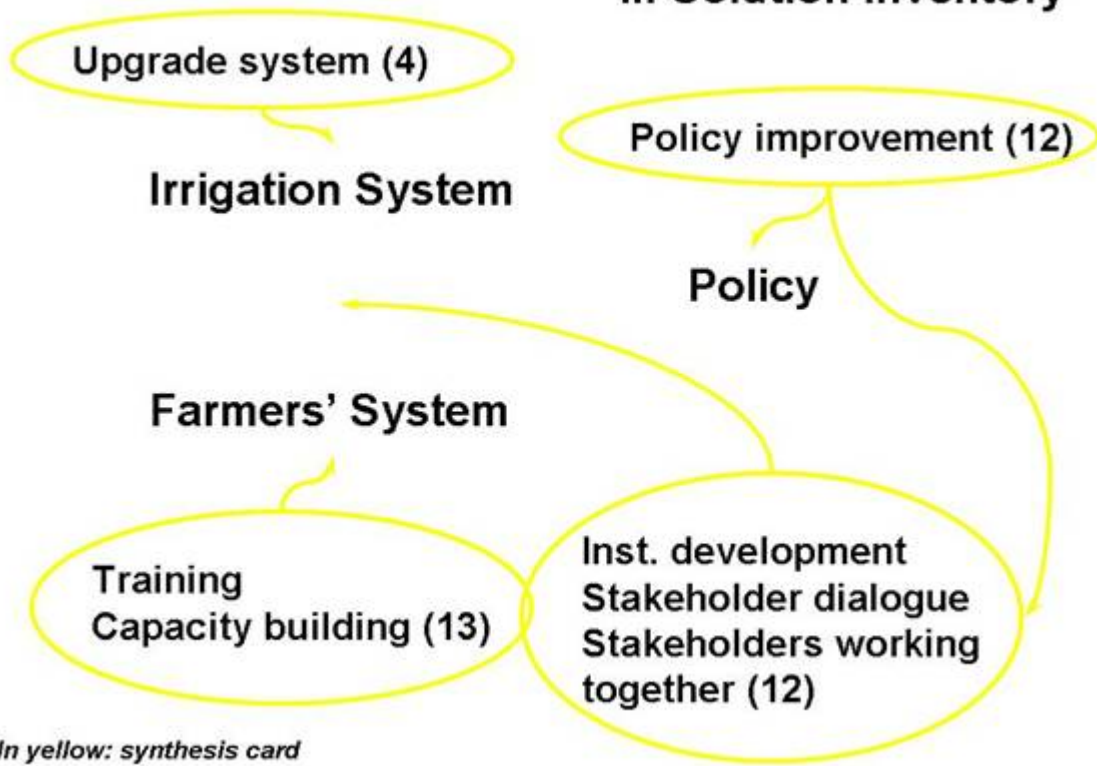

**Synthesis Group Discussions
Monday – Tuesday evening**

I: Problem inventory

In yellow: synthesis card

II: Solution inventory
