The Third meeting of the Dams and Development Forum

**Nairobi,
Kenya
17 - 18 June 2004**

The meeting consisted of seven plenary sessions, which were structured in seminar, panel group format. The substantive issues discussed intensively by the participants in the plenary included national and regional multi-stakeholder dialogues for improved decision-making; in WCD core values and strategic priorities into national contexts; defining the indicators of multi-stakeholder dialogue processes as well as the roadmap for implementation of the second DDP. 58 participants from 19 countries representing a wide range of stakeholder groups from various aspects of the dams and development debate attended the meeting.
