

## **FROM ASIA TO THE WORLD**

When the world has changing  
We are facing world gloomy today  
More tears and sadness  
The World must unite together

When life is getting difficult  
Around the globe suffers and survive  
Fighting against poverty and hunger  
ASIA must stand ready to act

ADB serve the world in better shape  
ADB help Asia in prosperity  
Together we give hope for generation  
Together Asia in Colour and Harmony

From Asia to the World  
From ADB to millions of children  
From ADB to family around Asia  
From ADB with soul and smile.
