Footnotes:

- a 1983 to 1993 population figures were estimated from the population count at the end of 1980 and assumed a growth rate of 2.8% annually from 1981 to 1989 and 2.5% from 1990 to 1993. The 1994 estimate was based on provincial reports. 1995-1997 and 1999 estimates were based on the SESC. The 1998 figure is based on the final results of the General Population Census of Cambodia.
- b The break in the national accounts series is due to the difference in methodology employed in compiling data for 1993 to 1999.
