a Unless otherwise indicated, data refer to annual average consumer prices for the country. Breaks refer to changes in the base years of the original indices.

b Data are indices with base year Dec 1995 for Mongolia and 1995 for Azerbaijan, Kazakhstan and Viet Nam.

c Data refer to period averages for the fiscal year.

d Data refer to capital city.

e Data refer to urban areas/selected cities only.

f Data refer to retail price index.

g Estimated based on data from an index with the old base year.

h End of period annual percentage change.

i Previous year percent change.
