Footnotes:

- a The 1984 to 1993 population figures were estimated from the population count at the end of 1980 and assumed a growth rate of 2.8% annually from 1981 to 1989 and 2.5% from 1990 to 1993. The 1994 estimate was based on provincial reports. The 1995 to 1997 and 1999 estimates were based on the SESC. The 1998 figure was based on the final results of the General Population Census of Cambodia.
- b The break in the national accounts series is due to the difference in methodology employed in compiling data starting from 1993.
