Drs. Pasaribu, an expert on water supply, is the Managing Director of PDAM Tirtanadi Medan (“Water Supply Enterprise”) in the province of North Sumatera, Indonesia since 2002. To qualify for this position, he received the recognition by Directorate of Competencies Standardization and Certification of the Ministry of Mainpower and Transmigration in June 2002.

Prior to this post, he was the General Director of PDAM Tirtanada Medan from 1996 to 2000, and became the Administration and Finance Director in 2000-2002. In 2003-2005, he was the Division Head of Investment and Partnership in Indonesian Water Supply Association. From 1976 to 1996, he worked at Bank Pembangunan Daerah Sumatera Utara, with his last position as the Head of Personal Department.

He is a graduate of Economics from Universitas Islam Indonesia Yogyakarta and obtained his two master degrees on Natural and Environmental Resources from Universitas Sumatera Utara, and Economic Islam from Institut Agama Islam Negeri. He attended various training programs and seminars on water supply system and management.
