

# Private Sector Operations and LTSF: Operational Alignment

- Private Sector Operations focus on Strategy 2020's development agendas
  - Inclusive Growth
  - Environmentally Sustainable Growth
  - Regional Cooperation and Integration
- All PSO contribute to promoting inclusive growth
  - PSOD operations attack poverty by creating jobs that employ labor-the main asset of the poor
- PSOD clean energy projects and energy efficiency initiatives contribute to environmentally sustainable growth
- PSOD projects in finance and capital markets promote economic development and regional integration

# Private Sector Operations and LTSF: Operational Alignment

- Under LTSF, ADB will re-focus its operations on five core specializations:
  - Infrastructure
  - Environment
  - Regional Cooperation and Integration
  - Financial Sector Development
  - Education
- How does the PSOD portfolio compare to these operational priorities?
- Most PSOD projects fall within the first four specializations
