

Notes

- ¹ The *Appendix on Recent European Union (EU) Emissions Standards* which forms part of this book contains a summary of the recent European vehicle emissions standards and the associated fuels requirements.
- ² See *Policy Guidelines on Cleaner Two and Three Wheelers*, one of the books published by the Asian Development Bank (ADB) as Policy Guidelines for Reducing Vehicle Emissions in Asia.
- ³ For a more detailed discussion of the health impacts from motor vehicle pollution, see the separate book on the *Appendix on the Adverse Health and Environmental Effects from Vehicle Emissions*.
