Business Opportunities

Consulting Services	All consulting services will be engaged in accordance with the Bank's Guidelines on the Use of Consultants and other arrangements satisfactory to the Bank on the engagement of domestic consultants.
---------------------	---

Procurement All procurement under the Project will be carried out in accordance with the Bank's Guidelines for Procurement. Civil works under the Project are small and scattered over a wide area. The civil works for rural access roads will be carried out by prequalified contractors through local competitive bidding in accordance with procedures acceptable to the Bank. International competitive bidding (ICB) procedures will be followed for the rehabilitation and improvement of the provincial highways. Civil works for community-managed rural infrastructure, including irrigation schemes; jeepable tracks, drinking water and sanitation schemes, and micro hydropower schemes will be carried out by village organizations, which will procure materials directly from local suppliers according to procedures acceptable to the Bank. Procurement of vehicles and office equipment for Project Administration Unit and Rural Support Program will be undertaken through international shopping procedures and direct purchase, as appropriate.
