Business Opportunities

Consulting Services Consulting services (280 person-months international and 500 person-months domestic) will be required to assist the EA and IAs in project implementation. All consultants financed under the project will be selected and engaged in accordance with ADB's Guidelines on the Use of Consultants with the flexibility, wherever essential, provided under emergency assistance projects.

Procurement All contracts for civil works and supply of equipment and materials will be divided into suitable contract packages. The contracts have been mostly packaged as turnkey and design-build to ensure delivery within the project implementation period. The civil works contracts exceeding \$1 million will be awarded following international competitive bidding procedures. The contracts for equipment and materials valued at \$500,000 and below should be procured using international shopping procedures. For equipment and material contracts exceeding \$500,000, international competitive bidding procedures will be followed
