

ANNEX 5:1 GMS BIODIVERSITY CONSERVATION CORRIDOR – WESTERN FOREST COMPLEX

Country	INSTITUTIONAL PROFILE				PROJECT AND INVESTMENT PROFILE Project Details (Title, Donors, Implementing Agencies, Timeline, and Cost in US\$ millions)
	Central Government Authorities	Provincial Bodies	International Agencies (MDAs and Bilateral Funding Agencies)	Civil Society/NGOs and Private Sector Organizations	
Thailand	<p>MONRE (Department of National Parks, Wildlife and Plant Conservation-DNP) in particular the National Parks Office and the Wildlife Conservation Office. Royal Forest Department (Natural Resource Conservator Office) are involved in forestry activities (including production and plantation)</p>	<p>Provincial Conservation For a ((PCFs) within the Western Forest Complex; Conservation Committees in Kanchanaburi, Kamphaeng Phet, Nakhon Sawan, Suphan Buri, Tak and Uthai Thani provinces.</p>	<p>International - ITTO, Bilateral – DANIDA, Danish Cooperation for Environment and Development (DANCED)</p>	<p>NGOs - WWF, WCS, Population and Development International, Seub Nakhasatien Foundation</p> <p>Research and Outreach – Kasetsart University, Thailand Environmental Institute.</p>	<p>1. Integrated Buffer Zone Development for Sustainable Management of Tropical Forest Resources in Thailand implemented in the buffer zone of Kaeng Krachan National Park Donors: ITTO (Project PD 16/97 Ref. 3 (F)) Impmentors: DNP and Thailand Environmental Institute (TEI) Timeline: First phase completed in 2003; extension upto 2007 proposed and awaiting approval</p> <p>2.The Joint Management of Protected Areas Project Donors: DANIDA Implementors: National Government and local NGOs such as the Seub Nakhasatien Foundation. Timeline – 2004-2008 Cost –</p> <p>3. Wildlife monitoring techniques and strategic patrolling to combat wildlife poaching in Kaeng Krachan; Monitoring of tiger and prey species along Petchaburi River, and monitoring human-elephant conflict Donors: WCS Implementors: DNP- (Wildlife Research Station) Timeline – 2002- Cost –</p> <p>4. Tennasarim Transboundary Biodiversity Conservation Project Donors – Uiniversity of Minnesota Implementors – DNP, University of Minnsota Timeline – proposed for implementation in 2005-2006; potential cooperation with Myanmar being explored.</p> <p>5 Thung Yai Naresuan Ecology Project Donors - European Commission</p>

Country	INSTITUTIONAL PROFILE				PROJECT AND INVESTMENT PROFILE
	Central Government Authorities	Provincial Bodies	International Agencies (MDAs and Bilateral Funding Agencies)	Civil Society/NGOs and Private Sector Organizations	Project Details (Title, Donors, Implementing Agencies, Timeline, and Cost in US\$ millions)
					<p>Implementors – WWF Thailand Timeline - May 97-Dec 04 Cost – 24.86</p> <p>6. Western Forest Complex Ecosystem Management Project Donors – DANCED Implementors – Natural Resource Conservation Office of the Royal Forest Department (RFD); DARUDEC is providing consulting services Timeline – started in 1999 new components ; in 2004 Minsiter for MONRE agreed to collaborate with Myanmar for the second Transboundary Conservation Area (TBCA) Cost –</p> <p>7. Huay Mae Dee Environmental Education Project Donors – DANCED Implementors – WWF Thailand Timeline – 1998-2001 Cost –</p> <p>8. Ecology and Habitat Utilization of Wild Water Buffalo in Huay Kha Khaeng Wildlife Sanctuary (Utai Thani Province) Donor – WWF (funding to students at KASETSART University) Implementors – Kasetsart University Bangkok, Thailand Timeline- Ongoing Cost –</p> <p>9. Changes in Wildlife Population in abandoned human habitats in East Thuny Yai Naresan Wildlife Sanctuary, Tak Province Donors - WWF Implementors – RFD and Researchers at Kasetsart University Timeline – Ongoing Cost –</p>

Country	INSTITUTIONAL PROFILE				PROJECT AND INVESTMENT PROFILE
	Central Government Authorities	Provincial Bodies	International Agencies (MDAs and Bilateral Funding Agencies)	Civil Society/NGOs and Private Sector Organizations	Project Details (Title, Donors, Implementing Agencies, Timeline, and Cost in US\$ millions)
					10. Studies of distribution of elephant population in Thung Yai Huay Kha Khaeng Sanctuary and conflict between elephants and humans Donors - WWF Implementors – Timeline – Ongoing
Myanmar	Ministry of Forestry (Forest Department)			NGOs – WWF, WCS	1.Hukawng Valley Tiger Resesrve Donors – WCS Implementors – WCS and Forest Department Timeline – Initial survey and exploratory work (1996-2002) new components assessing status and numbers of tigers and threats around reserve 2003– Cost - .05

ANNEX 5:2 GMS BIODIVERSITY CONSERVATION CORRIDOR - TON LE SAP INUNDATION ZONE

Country	INSTITUTIONAL PROFILE				PROJECT AND INVESTMENT PROFILE
	Central Government Authorities	Provincial Bodies	International Agencies (MDAs and Bilateral Funding Agencies)	Civil Society/NGOs and Private Sector Organizations	Project Details (Title, Donors, Implementing Agencies, Timeline, and Cost in US\$ millions)
Cambodia	Ministry of Environment (MOE), Ministry of Fisheries and Forests (MAFF), Ministry of Education Youth and Sports (MOEYS), Cambodia National Mekong Committee, and Tonle Sap Biosphere Reserve Secretariat (TSBR).		MDAs - UNDP/GEF, ADB (major investments), UNESCO. Bilateral - DANIDA	NGOs - WCS (implementation) in a number of projects, Bird Life International. Private Sector - ICF	<p>1. Tonle Sap Environmental Management Project Donors - ADB/UNDP/ GEF/Govt. of Cambodia. Implementors - Cambodia National Mekong Committee, Tonle Sap Biosphere Reserve Secretariat (TSBR),MOE, MAFF, MOEYS. Timeline – 2003-2010 Cost-19.43</p> <p>2. Community Participation for Conservation in Cambodia Project. Donors - BirdLife International Implementors – DANIDA Cost -</p> <p>3. Management of Ang Tropeang Thmor Sarus Crane Conservation Area Project. Donors - ICF (private company), WCS Implementors - Cost -</p> <p>4. Conservation of Large Waterbirds in the Core Areas of the Tonle Sap Biosphere Reserve Project Donors – WCS Implementors – (?) Cost -</p> <p>5. Ecology and Conservation of Wet Grasslands and Associated Bird Communities on the Northern Shore of the Tonle Sap Donors - WCS Implementors – (?) Cost -</p>

ANNEX 5:3 GMS BIODIVERSITY CONSERVATION CORRIDOR – CARDAMOM AND ELEPHANT MOUNTAINS

		INSTITUTIONAL PROFILE			PROJECT AND INVESTMENT PROFILE
Country	Central Government Authorities	Provincial Bodies	International Agencies (MDAs and Bilateral Funding Agencies)	Civil Society/NGOs and Private Sector Organizations	Project Details (Title, Donors, Implementing Agencies, Timeline, and Cost in US\$ millions)
Cambodia	MAFF (Department of Forestry and Wildlife) - Wildlife Protection Office, MOE (Department of Nature Conservation and Protection (DNCP)), Department of Fisheries	Regional Provincial Government offices in Koh Kong, Preah Vihar.	MDAs – UNDP/GEF, UNDP/UNF. Bilateral –USAID, USFWS, CAT Action Treasury	NGOs - FFI, CI, WildAid, WCS	<p>1. Cambodia Tiger Conservation Project: Community Wildlife Ranger Program. Donors – USFWS Implementors – MAFF (Department of Forestry and Wildlife) - Wildlife Protection Office, Regional Provincial offices in Koh Kong, Preah Vihar . NGOs such as FFI, WWF, and WCS participated in biodiversity surveys. Timeline - 2000-2003 (?) Cost - 0.4 (USFWS : .2, Save the Tiger Foundation through CAT Action Treasury/WPO : .2)</p> <p>2. Community Wildlife Ranger Program Donors – USFWS Implementors - USFWS in partnership with CAT Action treasury. Timeline - Sept 2004- (grant approved). Cost - 0.06 (USFWS: .05, Leveraged funds: .004).</p> <p>3. Management of the Cardamom Mountains Protected Forest Wildlife Sanctuaries Donors - UNDP/GEF, UNDP/UNF Implementors - MAFF, cooperating agencies include FFI, and CI. Timeline - July 01-Dec 06 Cost - 3.24 (UNDP/GEF: .98, UNDP/UNF: 2.25)</p> <p>4. South West Elephant Corridor (SWEC) program (including the Community Agriculture Development Project) Donors –UASID, DANIDA Implementors – WildAid, DNCP, and the Forestry Administration Timeline – 2000 –2003 (assessment and preparation,</p>

Country	INSTITUTIONAL PROFILE				PROJECT AND INVESTMENT PROFILE

	INSTITUTIONAL PROFILE				PROJECT AND INVESTMENT PROFILE
Country	Central Government Authorities	Provincial Bodies	International Agencies (MDAs and Bilateral Funding Agencies)	Civil Society/NGOs and Private Sector Organizations	Project Details (Title, Donors, Implementing Agencies, Timeline, and Cost in US\$ millions)
Cambodia	MAFF (Department of Forestry and Wildlife)- Wildlife Protection Office, MOE in a cooperating role		MDAs - UNDP/GEF Bilateral – USFWS, CAT Action Treasury	NGOs – WCS, FFI & WWF	1 Establishing Conservation Areas through Landscape Management (CALM) Project Donors – UNDP/GEF, WCS, SEILA (decentralization measures), Central Government of Cambodia Implementors – MAFF, MOE in cooperation role, and WCS Timeline – August 2004 -August 2011 Cost – 5.2 (UNDP/GEF: 2.5, WCS: 2 (.5 in kind), SEILA: .4, Government in kind: .12)
Thailand	MONRE (Department of National Parks, Wildlife and Plant Conservation) in particular the National Parks Office and the Wildlife Conservation Office.			NGOs – WWF	
Lao	Ministry of Agriculture and Forestry (MAF), and Science, Technology and Environment Agency (STEA)			NGOs – IUCN, WWF	

ANNEX 5:5 GMS BIODIVERSITY CONSERVATION CORRIDOR – EASTERN PLAINS DRY FOREST

Country	INSTITUTIONAL PROFILE				PROJECT AND INVESTMENT PROFILE
	Central Government Authorities	Provincial Bodies	International Agencies (MDAs and Bilateral Funding Agencies)	Civil Society/NGOs and Private Sector Organizations	Project Details (Title, Donors, Implementing Agencies, Timeline, and Cost in US\$ millions)
Cambodia	MAFF (Department of Forestry and Wildlife), MOE (Department of Nature Conservation and Protection)		Bilateral - USFWS (Save The Tiger Fund), Taiwan Council of Agriculture	NGOs - WWF, WCS Research and Outreach – Kasetsart University	<p>1. Ecoregion Conservation in the Dry Forests of Eastern Cambodia (Mondulhiri Province) Donors – WWF-US Implementors – WWF-Cambodia, MOE Timeline – Nov 00 - Sep 01 Cost – 0.15 (WWF: 0.15)</p> <p>2. Flagship Species Protection in Cambodian Eastern Plains Donor – USFWS Implementors – Department of Nature Conservation and Protection, WWF Timeline – Sept 04 (grant approved) Cost – .19 (USFWS: .06; leveraged funds: .13)</p> <p>3. Pioneering Biodiversity Conservation in Managed Forests inside the Samling Mondulhiri Forest Concession (part of the Forest Concession Management and Control Pilot Project) Donor – WB/GEF Implementors – WCS Timeline – (2003-) Cost –</p> <p>4. Protection and Recovery of Tigers and their Prey in Southern Mondulhiri Donor – WCS Implementors – WCS Timeline – (2003-) Cost - .05</p> <p>5. Cambodia Community Based Monitoring III Donor – CAT Action Treasury Implementors – Timeline – (2002-) Cost - .05</p>

Country	INSTITUTIONAL PROFILE				PROJECT AND INVESTMENT PROFILE
	Central Government Authorities	Provincial Bodies	International Agencies (MDAs and Bilateral Funding Agencies)	Civil Society/NGOs and Private Sector Organizations	Project Details (Title, Donors, Implementing Agencies, Timeline, and Cost in US\$ millions)
Viet Nam	MARD (Forest Protection Department)		GEF	Private Sector – Scott Wilson Asia-Pacific Limited	1. Creating Protected Areas for Resource Conservation Using Landscape Ecology (PARC) at Yok Don National Park Donors – GEF Implementors – Scott Wilson Asia-Pacific Limited

ANNEX 5:6 GMS BIODIVERSITY CONSERVATION CORRIDOR – TRI BORDER FORESTS (CAMBODIA-LAO-VIET NAM)

Country	INSTITUTIONAL PROFILE				PROJECT AND INVESTMENT PROFILE
	Central Government Authorities	Provincial Bodies	International Agencies (MDAs and Bilateral Funding Agencies)	Civil Society/NGOs and Private Sector Organizations	
Cambodia	MOE(Department of Nature Conservation and Protection), MAFF(Department of Forestry and Wildlife)		MDA's - World Bank/GEF	WWF US, WWF US-Tiger Conservation Program, Bird Life International (Implementation), MacArthur Foundation	<p>1. Biodiversity and Protected Area Management Pilot Project for Virachay National Park Donors –GEF Implementors – MOE Timeline – unclear (new components of the project may start soon) Cost – 7 (GEF : 2.75, Co-financing IDA : 2.0, Govt of Cambodia : 0.25, US : 2.25)</p> <p>2. Protection Strategy for the two Elephant Priority Sites in Northeastern Cambodia Donors – WWF-US & WWF-US TCP, USFWS Implementors - WWF-Cambodia Species Programme, MOE (Department of Nature Conservation and Protection) MAFF, (Department of Forestry and Wildlife) Timeline - Dec 01-Feb 03 Cost - 1.66 (WWF:.10, USFWS:.06)</p>
Lao	Ministry of Agriculture and Forestry (MAF), and Science, Technology and Environment Agency (STEA)		MDAs – World Bank, UNDP/GEF, MRC Bilateral – DANIDA, Government of Finland	IUCN, WWF, WCS	<p>1. A Framework for the Use, Protection and Management of Biodiversity Donors – DANIDA Implementors – MAF, STEA, and UNDP Lao Timeline - 2001 – 2004 Cost – 0.92 (DANIDA:0.92)</p> <p>2. The Sustainable Forestry and Rural Development Project (SUFORD) - project field sites are in Khammouane, Savannakhet, Saravan, and Champasak provinces. Donors - International Development Association loan, a grant from Finland and a contribution from Government of Lao Implementors – Timeline – First year of operations completed in 2004 Cost –</p> <p>3. The Southern Lowlands Natural Resource Management Project as a continuation of activities under the Forest Management and Conservation Project (FOMACOP) related activities in Xe Pian NBCA.</p>

					<p>Donors – DANIDA Implementors – Xe Pian NBCA management unit, STEA. Timeline- 2002–2006 Cost –</p> <p>4. The Mekong Wetlands Biodiversity Programme project in Attapeu Details not known</p> <p>5. French-supported International Environment Reconstruction and Sustainable Natural Resources Management Project in Paksong District Details not known</p> <p>6. the Siphandone wetlands component of the proposed Mekong River Commission Regional Wetlands Management Project Details not known</p> <p>7. World Bank’s poverty reduction Fund operates in Pathoumphon and Khong districts of Champasak</p> <p>8. Two World Wide Fund for Nature (WWF) projects due to commence shortly—on natural resources management, including nontimber forest products and wetlands resources in Sanamxay District, Attapeu, and an ecotourism project in Pathoumphone, Champasak; the Canadian Association for People and Environment working in Champasak</p>
Viet Nam	Ministry of Agriculture and Rural Development (MARD) - Forest Protection Department, Ministry of Science Technology and Environment (MOSTE)		MDAs - WorldBank, GEF Bilateral – Government of Netherlands	BirdLife International (Implementation), MacArthur Foundation	<p>1. Forest Protection and Rural Development Project Donors - World Bank/Government of Netherlands Implementors – MARD (Forest Protection Department) Timeline - 1999-2002 Cost - 1.95</p> <p>2. Forest Sector Development Project - VCF Component Donors - World Bank/GEF, Government of Netherlands Implementors - MARD, Forestry Development Department Timeline –April 2004 –</p>

					Cost – 60 (World Bank: 40.23; GEF: 9.0 (grant); Govt of Netherlands: 5.1; Govt of Viet Nam: 1.6)
