

Equity Investment in AccessBank Tajikistan

ADB's first private investment in Tajikistan will support the growth of AccessBank, a greenfield bank that serves low-income customers, and boost financing for micro, small and medium-sized enterprises, and services in the regions outside the capital, Dushanbe.

ADB has approved its first private investment in Tajikistan, a package of equity and loans for Access Bank Tajikistan (ABT), to boost financing for micro, small and medium-sized enterprises, and low-income households.

10%

equity participation in AccessBank (up to \$3 million)

\$8 million

loan to AccessBank (including \$3 million B-loan)

\$500,000

technical assistance to AccessBank for rural service outreach

2 December 2014

Date approved

Development impact

- Promote a commercially viable financial service model for low-income households and small enterprises in a challenging economic environment.
- Demonstrate opportunities for providing responsible financial services to benefit low-income households in one of ADB's poorest member countries.
