Description			
Project Rationale and Linkage to Country/Regional Strategy			
Impact	Improved gender responsiveness of the government, ADB and development partner programs and initiatives in Myanmar		
Project Outcome			
Description of Outcome	Government, ADB and development partners are informed of key gender issues in Myanmar for policy and programming		
Progress Toward Outcome	Government and development partners have been consistently involved in discussions, interviews and analysis related to the various sectors presented in the Gender Situational Analysis report. The report was validated in a multi-stakeholder workshop and also through rigorous review and feedback process.		
Implementation Progress			
Description of Project Outputs	1. Gender Situation Analysis and advocacy materials prepared and disseminated. 2. Increased consensus and ownership among key stakeholders on the findings of the Gender Analysis		
Status of Implementation Progress (Outputs, Activities, and Issues)	Both Myanmar and English language versions of the Myanmar Gender Situational Analysis report printed. A launch of the said report was held in October 2016 in Naypyitaw, Myanmar.
