

Project Data Sheet

Project 44483-025

Project Name CAREC Corridor 2 Road Investment Program II

Project Number 44483-025

Country / Economy Uzbekistan

Project Status Closed

Project Type / Modality of Assistance Technical Assistance

Source of Funding / Amount **TA 7789-UZB: CAREC Corridor 2 Road Investment Program II**
Technical Assistance Special Fund US\$ 220,000.00

Strategic Agendas Inclusive economic growth
Regional integration

Drivers of Change Gender Equity and Mainstreaming
Governance and capacity development

Sector / Subsector **Transport** / Road transport (non-urban)

Gender Effective gender mainstreaming

Description The PPTA output will be the TA consultants' final report that will include (i) due diligence to meet ADB's requirements for (a) technical aspects related to selection and construction of selected roads; measures that will improve road safety, maintenance management; and assessing specific institutional capacity development needs for sustainable use of the project facilities; (b) economic and financial viability and sustainability; (c) regional benefits; (iii) reviewing and updating the initial environmental examination (IEE) reports with appropriate environmental monitoring and management plans, and preparing an environmental impact assessment (EIA), if required; (iv) assessment and/or due diligence work of land acquisition and resettlement impacts, update and/or prepare social safeguard frameworks (IR and IP) for MFF as the whole if needed, and if required, resettlement plan(s) and/or indigenous people plan(s); and (v) prepare a poverty and social analysis.

Project Rationale and Linkage to Country/Regional Strategy PPTA is necessary to complete the due diligence in safeguards, economic and financial, and poverty and social areas for the proposed MFF. The PPTA will review technical due diligence carried out by the Road Fund and design institute.

Involuntary Resettlement

Indigenous Peoples

Stakeholder Communication, Participation, and Consultation

During Project Design	Discussions with local population, the Road Fund, and hokimyat or government officials, followed by discussions with village chairpersons and villagers were held.
During Project Implementation	Consultations will be carried during project implementation with the Road Fund, and hokimyat or government officials, village chairpersons and villagers.

Business Opportunities

Consulting Services	The TA will require about 21.5 person-months of consulting services (3.5 international and 18 national) for preparing all projects under the investment program. National consulting firm will be recruited in accordance with ADB's Guidelines on the Use of Consultants (2010, as amended from time to time). The TA, among other tasks, will adequately address the following aspects relating to the ensuing loan project: (i) proposed loan related procurement plan with suggested level of priority; and (iii) indicative implementation schedule with proposed sequencing of consultant recruitment and procurement bidding and awarding.
Responsible ADB Officer	Khan, Shakeel A.
Responsible ADB Department	Central and West Asia Department
Responsible ADB Division	Transport and Communications Division, CWRD
Executing Agencies	<i>Avtoyulinvest</i> <i>Mustakillik avenue, 68</i>
