

India: MFF - Rural Roads Sector II Investment Program (Project 3)

Project Name	MFF - Rural Roads Sector II Investment Program (Project 3)		
Project Number	37066-043		
Country / Economy	India		
Project Status	Closed		
Project Type / Modality of Assistance	Loan		
Source of Funding / Amount	Loan 2445-IND: MFF - Rural Roads Sector II Investment Program (Project 3)		
	Ordinary capital resources	US\$ 130.00 million	
Strategic Agendas	Inclusive economic growth		
Drivers of Change	Gender Equity and Mainstreaming Governance and capacity development		
Sector / Subsector	Transport / Road transport (non-urban)		
Gender	Some gender elements		
Description	The Project will finance part of the cost of a subset of the Investment Program comprising construction and upgrading of 950 kilometers (km) rural roads in the state of Assam and 720 km rural roads in the state of West Bengal that are part of the Government of India's rural roads program - Pradhan Mantri Gram Sadak Yojana (PMGSY) meaning Prime Minister's Rural Roads Program. It is expected that the proposed investment will bring about the outcome of reduced poverty and deprivation, and economic growth of rural communities in the vicinity of the subproject roads by providing them with enhanced access to markets; employment opportunities; and social services including health and education.		
Project Rationale and Linkage to Country/Regional Strategy	Poor road infrastructure affects economic growth in rural areas. It impacts negatively on domestic and local trade, on the final cost of goods, competition and competitiveness, logistics in general, movement of people, inward investment opportunities, and ultimately on employment. Poor road connectivity has a strong link to poverty. Past neglect of the rural road network has cut off rural communities from mainstream economic centers in the country and even locally. Poor road connectivity has resulted in slow development, and in some cases a faster than needed exodus of young people to cities. The Government is trying to redress this problem under PMGSY, Assam, Orissa, and West Bengal, which are first targeted under the Investment Program, are among the 10 states with large rural populations that lack adequate coverage in terms of all-weather road connectivity. The poverty head count rates in these states are among the highest in India.		
Impact	Contribute to reduction in poverty and deprivation, and support economic growth of the community connected by Investment Program roads.		
Project Outcome			
Description of Outcome	Improved connectivity of rural community to markets, district headquarters, and other centers of economic activity via Investment Program roads		
Progress Toward Outcome			
Implementation Progress			
Description of Project Outputs	Construction and upgrading of rural roads to all-weather standard. Improved community participation		
Status of Implementation Progress (Outputs, Activities, and Issues)			
Geographical Location	Bankura, Bardhaman, Barpeta, Birbhum, Bongaigaon, Cachar, Dakshin Dinajpur, Darjiling, Darrang, Dhemaji, Dhuburi, Dibrugarh, East Midnapore, Golaghat, Hailakandi, Haora, Hugli, Jalpaiguri, Jorhat, Kamrup, Karbi Anglong, Karimganj, Kochbihar, Kokrajhar, Lakhimpur, Maldah, Marigaon, Murshidabad, Nadia, Nagaon, Nalbari, North 24 Parganas, North Cachar Hills, Puruliya, Sibsagar, Sonitpur, South 24 Parganas, Tinsukia, Uttar Dinajpur, West Midnapore

Business Opportunities	
Consulting Services	Tranche 3 does not have any provision for financing consulting services. Technical support consultant's (TSC) services required for preparation of PFR3 were financed under Project 1. For the implementation of Project 3, TSC's services will be financed under Tranche 1, and, after closing of Tranche 1, will be financed under Tranche 2.
Procurement	Under the advance contracting and retroactive financing provisions of the FFA, the two state Implementing Agencies started procurement action as early as in August 2007. The first contract award under Project 3 was in December 2007 in West Bengal and in May 2008 in Assam. In West Bengal, all the civil works contracts under Project 3 have been awarded. In Assam, contract award is taking place in phases. Procurement of civil works followed national competitive bidding procedure using the PMGSY standard bidding documents and procedures with the agreed ADB-financing specific adjustments in the areas of eligibility, anticorruption, social and environmental safeguards as was used under Project 1. An ADB-engaged procurement consultant carried out post-facto review of the procurement process followed and documentation used, and confirmed that there was no departure from the earlier-agreed procurement arrangements. The Procurement Plan is included as part of the submitted PFR.

Responsible ADB Officer	Heriawan, Andri
Responsible ADB Department	South Asia Department
Responsible ADB Division	Transport and Communications Division, SARD
Executing Agencies	Ministry of Rural Development J. K. Mohapatra j.mohapatra.nic.in New Delhi, India
