Consulting Services

To support the implementation of the Project, a total of 241 person-months of consulting services (104 person-months international and 137 person-months domestic) will be required. The Consultants will be engaged in accordance with the ADB's Guidelines on the Use of Consultants and other arrangements satisfactory to ADB on the engagement of domestic consultants. Separate consulting services packages will be procured to provide assistance to the PCUs in the NTOs, and the PMUs in charge of infrastructure improvements. The consultants for PMUs will be firms and will focus on Part A. The consultants for the PCUs will be firms and will focus on overall project management and part C of the Project. Individual consultants will be engaged for Part B and will be recruited by PCU. Consulting firms will be selected and engaged following the quality and cost-based selection method. Consultants will provide on-the-job training to national and provincial government officials involved in implementation.

Procurement

Goods and works to be financed by ADB will be procured in accordance with ADB Guidelines for Procurement. International competitive bidding (ICB) procedure will be used for major civil works contracts estimated to cost over \$1.0 million and supply contracts valued over \$500,000. Procurement of minor civil works will be undertaken through local competitive bidding (LCB) in accordance with procedures acceptable to the ADB. International shopping (IS) will be followed for materials and equipment packages estimated to cost more than \$100,000 equivalent but less than \$500,000 equivalent. Equipment items that are locally available, and cost less than \$100,000 equivalent, may be procured through direct purchase in accordance with procedures satisfactory to ADB. For the pro-poor, community-based tourism component, where the proposed subprojects will be relatively small, and scattered throughout the provinces, the Project may fund NGOs to work in a collaborative and participatory manner with local communities.
