

## Project Data Sheet

Project 29041-022

Project Name Urban Governance and Infrastructure Improvement

Project Number 29041-022

Country / Economy Bangladesh

Project Status Closed

Project Type / Modality of Assistance Technical Assistance

Source of Funding / Amount **TA 3690-BAN: Urban Governance and Infrastructure Improvement**

Japan Special Fund US\$ 350,000.00

Strategic Agendas Environmentally sustainable growth

Drivers of Change Gender Equity and Mainstreaming  
Governance and capacity development  
Knowledge solutions

Sector / Subsector **Public sector management** / Decentralization

Gender Gender equity

Description The TA will prepare a project that will support the economic development of secondary towns to improve the welfare of town residents, including the urban poor, and enhance the quality of the urban environment. It will also develop effective measures to improve urban governance at both national and local levels and recommend suitable modalities for supporting necessary policy and institutional changes in the administrative, legal, and financial systems in secondary towns. The TA will include (i) a review of the institutional setup of the urban sector; (ii) a review of tax assessment and collection procedures for public and private holdings; (iii) an update of town-specific information for the secondary towns identifies in the TA for the Third Urban Development Project, and (iv) preparation of a sector project proposal for improving urban local governance and infrastructure services suitable for ADB financing.
