

Uzbekistan: Horticulture Value Chain Development Project

Project Name	Horticulture Value Chain Development Project		
Project Number	47305-003		
Country / Economy	Uzbekistan		
Project Status	Closed		
Project Type / Modality of Assistance	Technical Assistance		
Source of Funding / Amount			
	TA 9176-UZB: Horticulture Value Chain Development Project		
	Technical Assistance Special Fund		US\$ 225,000.00
Strategic Agendas	Environmentally sustainable growth Inclusive economic growth Regional integration		
Drivers of Change	Governance and capacity development Partnerships Private sector development		
Sector / Subsector	Agriculture, natural resources and rural development / Agro-industry, marketing, and trade		
Gender	No gender elements		
Description	A small-scale project preparatory technical assistance (S-PPTA) will help prepare (i) the national feasibility study (NFS) report in form and substance required by the prevailing regulations of the Government of the Republic of Uzbekistan (the Government); and (ii) project processing assistance and implementation startup support for the ensuing financial intermediary loan to the Republic of Uzbekistan for the Horticulture Value Chain Development Project (the Project).		
Project Rationale and Linkage to Country/Regional Strategy	S-PPTA fund will finance additional work required during project processing to (i) address critical technical gaps including horticulture sector and market assessment, financial due diligence of participating financial institutions (PFIs), business and market risk assessment, project investment financial and economic evaluation, among others; (ii) provide technical back-up support to the conduct of the NFS as outlined in Output 1 above; and (iii) implementation startup support. These are to ensure that (i) proper ADB's Board documents are prepared and technical comments addressed during project processing; and (ii) NFS is harmonized and technically consistent with the RRP and its linked and supplementary documents.
