Consulting Services	A firm (or consortium of firms) with multisector experience will be engaged to undertake the necessary studies for this project preparatory TA. The consulting firm(s) will be engaged following the quality- and cost-based selection method, with a quality cost ratio of 90:10, using full technical proposal procedures. Procurement of all consultancy services used under the project preparatory TA will be carried out in accordance with ADB's Guidelines on the Use of Consultants (2013, as amended from time to time). All international consultants will have experience in working in similar assignments in developing countries. Experience in the region, preferably in Cambodia, and experience in processing and implementing projects financed by international financing institutions, will be considered. All national consultants will have experience in similar assignments and working on international development projects.
