Impact

Outcome

Outputs
Geographical Location

**Summary of Environmental and Social Aspects**

Environmental Aspects
Involuntary Resettlement
Indigenous Peoples

**Stakeholder Communication, Participation, and Consultation**

During Project Design
During Project Implementation

**Business Opportunities**

Consulting Services

One package of consulting services with a value of $975,000 will be procured through firm(s). The TA will require 10 positions and 22 person-months (pm) of international, and 13 positions and 44 pm of national consulting services. The consultants will be engaged through firm(s). The quality- and cost-based selection method with quality-cost ratio of 90:10, using simplified technical proposal procedures, will be followed. The time-based contract will be used. ADB will select and engage the consultant in accordance with the Guidelines on Use (2013, as amended from time to time). The consultants may procure equipment through shopping in accordance with the ADB’s Procurement Guidelines (2015, amended from time to time). Upon completion of the TA, equipment procured under the TA will be transferred to the executing agencies.

Procurement

The consultants may procure equipment through shopping in accordance with the ADB’s Procurement Guidelines (2015, amended from time to time). Upon completion of the TA, equipment procured under the TA will be transferred to the executing agencies.
