

Project Data Sheet

Project 51132-001

Project Name	Water Supply and Sanitation Service Improvement Project	
Project Number	51132-001	
Country / Economy	Georgia	
Project Status	Closed	
Project Type / Modality of Assistance	Technical Assistance	
Source of Funding / Amount	TA 9603-GEO: Water Supply and Sanitation Service Improvement Project	
	Technical Assistance Special Fund	US\$ 750,000.00
Strategic Agendas	Environmentally sustainable growth Inclusive economic growth	
Drivers of Change	Gender Equity and Mainstreaming Governance and capacity development Knowledge solutions Private sector development	
Sector / Subsector	Water and other urban infrastructure and services / Urban policy, institutional and capacity development - Urban sewerage - Urban water supply	
Gender	Effective gender mainstreaming	
Description	<p>The project aims to minimize the operational inefficiencies and maximize asset utilization of the United Water Supply Company of Georgia (UWSCG) in the selected areas of Georgia. The project will assist UWSCG modernize its equipment and management information systems, restructure the organization, develop capacity and improve commercial orientation. Complementary institutional reforms will be supported to ensure greater accountability for quality service delivery including developing a water sector policy.</p> <p>The envisaged project outputs are (i) facilitated high-level technology solutions, and (ii) strengthened organization and institutions. These solutions will result in the following outcome: efficient, reliable and sustainable water supply and sanitation service delivered in selected UWSCG service areas where the government has invested significant infrastructure. The project will be aligned with the following impact: health of residents of selected areas of Georgia improved.</p>	
Project Rationale and Linkage to Country/Regional Strategy	<p>The proposed project is aligned with the government strategies and the priorities of the Asian Development Bank Country Partnership Strategy 2014-2018 for Georgia. The project and the transaction technical assistance are listed in the Country Operations Business Plan 2019-2021, and consistent with the Water Operational Plan 2011-2020. It also complements ADB's ongoing operations in Georgia.</p>
