Description	The TA will have the following outcome: debt sustainability and transparency in Pakistan improved. ADB will build on its longstanding policy dialogue with the Government of Pakistan on debt management to ensure that the proposed TA subproject will promote increased sustainability and transparency in Pakistan's borrowing practices. In order to support this overarching objective, the TA rests on three interrelated outputs: (i) implementation of the Sustainable Development Finance Policy (SDFP); (ii) fiscal risk management practices strengthened; and (iii) public debt recording, management and reporting strengthened.	
Project Rationale and Linkage to Country/Regional Strategy
