Sector / Subsector	Transport - Urban public transport						
Gender Equity and Mainstreaming	No gender elements						
Description	The TA aims to assist the Government in preparing an urban transport project to facilitate growth and poverty reduction by providing efficient and safe urban transport infrastructure and services, and to support policy reform and institutional development in the urban transport sector. The TA will (i) assist the Xi'an Municipal Government in refining the feasibility study, environmental impact assessment, and resettlement plan in conformity with ADB's requirements, and (ii) review the urban transport sector issues, such as urban transport policy and regulations, public transport, vehicle emission controls, road safety, and non-motorized transport, and prepare a policy and institutional development component under the Project.
