### Business Opportunities
Component 1 of the TA will require 53 person-months of consulting services (3 person months of international and 50 person-months of national inputs). An international budgeting and expenditure management specialist will be recruited as an individual consultant and a consulting firm will be recruited to provide national specialists. The consulting firm team will consist of seven national specialists with the program expenditure management specialist as the team leader; budget management specialist as deputy team leader; budgeting specialist on education development; budgeting specialist on health development; budgeting specialist on environment protection; budgeting specialist on industrial development; and budgeting specialist on science and technology.

Resource persons may be recruited to review the consultants' outputs and share knowledge during workshops in accordance with ADB's guidelines on recruiting and administering resource persons.

Component 2 of the TA will require 27.5 person-months of consulting services (6.5 person months of international and 21 person-months of national inputs). International consultants will be recruited as individual consultants and a firm will be recruited to provide national specialists. The consulting firm team will consist of five national specialists with the agriculture specialist who will be the team leader; institutional and policy specialist; public financial management specialist; actuary; and insurance specialist. Resource persons may be recruited to review the consultants' outputs and share knowledge during workshops in accordance with ADB's guidelines on recruiting and administering resource persons.

Procurement
Office equipment (1 contract) will be procured through shopping method under component 1.
