Dear Asian Development Bank

My name is ----- . I am a resident of ----- village in ----- Municipality. My family and I have been negatively affected by the ADB-funded East-West Highway (Khevi-Ubisa Section) Improvement Project (49257-001). For years, we have been struggling to communicate our concerns with the Roads Department and to ensure fair decisions with regards to our property and livelihoods.

In the attachment to this email, please see a detailed description of our concerns and problems our family encountered during and after the construction of the highway. We hope ADB will take our concerns seriously and ensure fair decision-making on our case.

I look forward to hearing from you.
