

## CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

Level 2 Results Framework Indicators		Targets	Methods / Comments
No.	(Outputs and Outcomes)		
1	Linkage to the Strategy 2030 operational priority indicators will be determined after program approval.	TBD	The program is a policy-based loan to support the government in the restructuring of the current Civil Aviation Authority of Nepal and strengthening of its oversight functions, management accountability, and operational efficiency. It is expected to contribute to results under OP 6 on strengthening governance and institutional capacity; OP 7 on fostering regional cooperation and integration; and OP 2 on accelerating progress in gender equality.

OP = operational priority, TBD = to be determined.
