

CONTRIBUTION TO STRATEGY 2030 OPERATIONAL PRIORITIES

OP No.	Corporate Results Framework Indicators (Outputs and Outcomes)	Expected Value	Methods and Comments
2.4.1	Time-saving or gender-responsive infrastructure assets and/or services established or improved (number)	One new international terminal building constructed in GBA with GESI specific facilities and features	GESI features such as walking stairs, ramps and elevators, access to drinking water taps for all, and separate and adequate number of restrooms include disabled-friendly toilets, spacious nursing rooms with attached bathroom, and use of solar panels and energy-efficient lighting. Likewise, GESI action will include appropriate conduct of GESI capacity building and sensitization among staff, contractors, and facility users.
2.5.2	Climate- and disaster-resilient infrastructure assets and/or services for women and girls established or improved (number)	One new international terminal building constructed in GBA with climate- and disaster-resilient facilities for women and girls	Climate change features include the use of solar panels and energy-efficient lighting, and also incorporate the use of local materials. To enhance resilience in severe natural hazards, climatic events, and threats, earthquake resistant standards and hydrological hazards have been given consideration.
3.2.5	New and existing infrastructure assets made climate and disaster resilient (number)	One parallel taxiway constructed in TIA with climate- and disaster-resilient features Two remote domestic aprons constructed in TIA with climate- and disaster-resilient features One new international terminal building constructed in GBA with climate- and disaster-resilient facilities and features	Climate change features include the use of solar panels and energy-efficient lighting, and also incorporate the use of local materials. To enhance resilience in severe natural hazards, climatic events, and threats, earthquake-resistant standards and hydrological hazards have been given consideration.
7.1.1	Transport and ICT connectivity assets established or improved (number)	One parallel taxiway constructed in TIA Two remote domestic aprons constructed in TIA One new international terminal building constructed in GBA	

GBA = Gautam Buddha Airport, GESI = gender equality and social inclusion, ICT = information and communication technology, OP = operational priority, TIA = Tribhuvan International Airport.
