

Partner Country		* RMI	Subregion - Geographical Area												Asia Region		Pacific		
Project Name:		Public Sector Program														For approval in year		2010	
Please indicate whether the project is identified as	<input type="radio"/>	Regional project (regional partnership strategy or regional business plan)				Risk Categorization		Complex		Filename: v:\p\Project Classification\Operations\APC\Kwim2010-Kwim-Public Sector Management(Public Sector Support Program)-LOAN.xls									
	<input checked="" type="radio"/>	National project (in CPS, COBP)																	
Project development stage		TA				Investment						Aid Effectiveness							
		PPTA	CDTA	PATA	RDTA	ADF	others	ADF	OCR	others	ee	syndication	Yes		No				
Approval		<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="radio"/>		<input type="radio"/>				
Project Components (products): (Note that the whole project is classified; products of one project are then classified automatically according to the pro-rated project classification)														Key project features [Please provide key information on project background and design features]:					
Public Sector Program - Subprogram 1		9.50	43321-01-3	PARD	PAHQ	Nakamitsu,Kiyoshi										Location Impact (% ,total project)			
If the project is an MFF, provide below the MFF Number and MFF Financing																			
Project Financing Modalities and Partnerships (in million USD)																			
Total project costs		10.10	Please note that classification of MFF products require each subproject to be classified separately. The classification for the first project also comprises the classification for the road map. However, project cost is for the first subproject only and not for the whole MFF cluster.																
Government (including contributions of beneficiaries) and sponsors																			
Partnerships		0.00	grants		concessional		commercial		identity of partner (name, amount million USD)										
Direct Value Added Cofinancing (DVA) under ADB administration and/or guarantee arrangement		0.00																	
Other Partnerships		0.00																	
ADB financing modalities		10.10	loan		investment grant		equity	guarantee	syndication	technical assistance				general intervention (GI)	targeting inclusiveness of growth and social development (more directly addressing)				
			ADF	OCR	ADF	others				<input type="checkbox"/> loan	<input checked="" type="checkbox"/> grant	PPTA	CDTA		PATA	RDTA	addressing geographical dimensions of poverty (TI-G)	MDG related social and environmental inclusiveness (TI-M)	income poverty (TI-H)
sovereign financing		Country Allocation	10.10	9.50										0.60		<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
		Regional Allocations	0.00													If MDG, please identify (1 - 8)			
non-sovereign financing		Country Allocation	0.00													Targeting poverty reduction and inclusiveness of growth and social development (Please provide rationale for GI or TI-G or TI-M or TI-H classification): The Program targets general intervention.			
		Regional Allocations	0.00																
Note: DVA = cofinancing under administrative or collaborative arrangement with ADB. Guarantees and partner financing administered by ADB (trust funds, project grants, syndications) will be reflected both under ADB as well as DVA cofinancing; however they will be counted only once in the total financing volume, in order to avoid double counting. Only actual amounts in partnership financing shall be accepted, even if the figures and partners are indicative.																			
Weight and Quantification of Thematic Impact Contribution		Contributions to Strategic Development Results (outcomes, %, based on total project)																	
		economic growth (GRO)	social development (SOC)	environmental sustainability (ENV)	regional cooperation (REC)		gender equity (GEN)		private sector development (PSD)		governance (GOV)		capacity development (CAD)						
		Strategy 2020 pillars (inclusive growth, environmental sustainable growth, regional cooperation and integration)																	
		Strategy 2020 drivers of change																	
Choose up to 4 themes (at least 1 of the 4 has to be GRO, SOC, ENV, RIC)		<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
Indicate (1) one primary impact contribution of the		<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>		
Please choose any number of subthemes from the themes initially marked		promoting macroeconomic growth and widening access to knowledge, science and technology	human development: indigenous people, other vulnerable groups, involuntary resettlement, disaster risk management	natural resources conservation, urban environmental improvement, eco-efficiency, global and regional transboundary environmental policy and legislation	crossborder infrastructure, trade and investments, money and finance, other regional public goods	gender equity in (human capital), gender equity in (economic), gender equity in (empowerment), regional gender equity initiatives	policy reforms, private sector investment, public-private partnerships, privatization	economic and financial governance, public administration (multi-civil society participation, anticorruption)	institutional development, organizational development, client relations, network, and partnerships										
subthemes chosen for this project		If the project addresses environmental impact or disaster risk mitigation, does it address climate change? Please quantify the climate change contribution as percent of total contribution of environment or inclusive social development field. <input checked="" type="radio"/> Yes, through <input type="radio"/> No																	
		adaptation		mitigation															
		H-High, M-Medium, L-Low impact		L															
		% (H=45-100, M=25-40, L=5-20)		10%															
For definitions and requirements for gender mainstreaming project categories, please refer to Guidelines for gender mainstreaming project categories.
