

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

No.	Level 2 Results Framework Indicators (Outputs and Outcomes)	Targets	Methods / Comments
1	None	Not applicable	The activities supported by the additional financing do not deliver outputs or outcomes that contribute to the aggregates of the Asian Development Bank (ADB) results framework. However, they are closely aligned to two key operational priorities of ADB's Strategy 2030, i.e., (i) addressing remaining poverty and reducing inequalities, with a focus on strengthening social protection systems and service delivery for those in need, and (ii) strengthening governance and institutional capacity, and emphasizing the importance of strong financial management systems and controls for successful development outcomes. ^a
