No. Paribesh/Circular/Notice/169/2002(2<sup>nd</sup>)/357

Dates: 31-03-1417/15-07-2010

## **Public Notice**

This is to inform all related concerns that, considering the environmental pollution, reduction of fertility, forest degradation etc. caused by the brick field, the government has decided to promote environment friendly advanced brick manufacturing technology. Directions in this regard are as follows:

- Only modern technologies such as Hybrid Hoffman Kilns, ZigZag Kilns, Vertical Shaft Kilns and any other practically efficient technology shall be used for brick production.
- Existing brick kilns having 120' high chimney have to be modified into a new technology kilns within 3 years after this circulation.
- Environmental Clearance issuance and renewal will be provided in favor of modern technology kilns such as Hybrid Hoffman Kiln, ZigZag Kiln and Vertical Shaft Kiln as per the Government rules and guidelines. Environmental Clearance for the existing brick kilns having 120' high chimney will be extended for the next 2 (two) years only.
- Any violation of this order will be subjected to legal action.

This public notice has been circulated for public interest.

(Monwar Islam)
