

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

No.	Level 2 Results Framework Indicators (Outputs and Outcomes)	Targets	Methods / Comments
1	Students benefiting from new or improved educational facilities (number) Male/Female	6.3 million students (47.6% male and 52.4% female) enrolled in basic (grades 1–8) and secondary (grades 9–12) levels	Calculated based on the EMIS data of MOE/DOE.
2	Students educated and trained under improved quality assurance systems (number) Male/Female	6.3 million students (47.6% male and 52.4% female) enrolled in basic (grades 1–8) and secondary (grades 9–12) levels	Calculated based on the EMIS data of MOE/DOE.
3	Teachers trained with quality or competency standards (number) Male/Female	153,000 teachers (68.0% male and 32.0% female) in basic and secondary levels will benefit from revised in- service training courses	All teachers in approved positions in basic and secondary levels will undergo revised teacher training courses. In addition, more than 13,000 teachers will undergo subject-wise training in math, science and English subjects.

DOE = Department of Education, EMIS = education management information system, MOE = Ministry of Education.
 Note: Results-based lending (RBL) supports government-owned programs in achieving overall RBL program results. There is no attribution of RBL program results achieved by ADB financing alone as results will be achieved using all resources for the RBL program. RBL can thus increase leverage and development results of ADB assistance. In this RBL program, ADB will provide \$120 million from Special Funds Resources (Asian Development Fund) and \$500,000 from Technical Assistance Special Fund (TASF-V) for the total RBL program financing of \$6,461.50 million. Other financing sources include government financing at \$5,761 million and Joint Financing Partners: World Bank (\$150.00 million), European Union (\$63.10 million), Norway (\$39.46 million), Global Partnership for Education (\$26.60 million), Finland (\$22.34 million), Australia (\$9.00 million), Japan International Cooperation Agency (\$3.00 million), United Nations Children's Fund (\$2.5 million).
