

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

No.	Level 2 Results Framework Indicators (Outputs and Outcomes)	Targets	Methods / Comments
1	None	Not applicable	The HSSDP promotes affordable, accessible, equitable, and high-quality health services in PNG. It aligns with Strategy 2020's focus on public expenditure management for cost-effective delivery of health programs—a preferred channel for ADB contributions to improvements in health. Further, through broader enhancements in the national public expenditure management system, the HSSDP also supports Strategy 2020's commitment to promoting good governance and higher levels of transparency to boost economic development in fragile situations, including PNG.

HSSDP = Health Services Sector Development Program, PNG = Papua New Guinea.
