

CONTRIBUTION TO THE ADB RESULTS FRAMEWORK

Level 2 Results Framework Indicators			
No.	(Outputs and Outcomes)	Targets	Methods / Comments
1	Students benefiting from new or improved educational facilities (number) Female/Male	105,200 (57,860 female and 47,340 male)	Estimate based on number of new secondary school (grades 6–10) blocks to be constructed under the project and the number of students that will be accommodated in those school blocks over a 20-year period
2	Students educated and trained under improved quality assurance systems (number) Female/Male	1,550,000 (610,000 female and 940,000 male)	Estimate based on (i) 350,000 students in existing SELD and SEF schools benefiting from better trained teachers in five key subjects, and (ii) 1,200,000 secondary and higher secondary education students (grades 9–12) benefiting from improved examination system
3	Teachers trained with quality or competency standards (number) Female/Male	2,630 (1,315 female and 1,315 male)	Teachers will be trained and mentored in five key subjects: English, mathematics, biology, chemistry and physics

SEF = Sindh Education Foundation, SELD = School Education and Literacy Department.
