

SUPPLEMENTARY DOCUMENT 4

CRITERIA FOR SELECTING INFRASTRUCTURE FINANCING AND PLANNING ACTIVITIES AS APPROVED BY SIAP STEERING COMMITTEE*

Criteria
Fit with SIAP2 Priorities:**
<ul style="list-style-type: none"> • Innovation and new technologies in project design and implementation • Private sector development by promoting private sector participation in infrastructure • Innovative infrastructure financing to catalyze private sector participation • Sound public sector management • Climate resilience and mitigation • Gender impact • Partnerships with <ul style="list-style-type: none"> • Multilateral and bilateral development financing institutions • Infrastructure-related programs supported by the GoA • Private sector infrastructure investors and advisors and commercial banks
Consistency with RPJMN, GoA's Aid Investment Plan for Indonesia and ADB Strategy 2030
Linkage to downstream ADB financing and/or credit enhancement support
Complementarity with recent/ongoing/planned ADB support
Synchronized with ongoing/planned support from other development partners
Requested budget

ADB = Asian Development Bank; GoA = Government of Australia; RPJMN = Rencana Pembangunan Jangka Menengah Nasional (National Medium-Term Development Plan); SIAP = Sustainable Infrastructure Assistance Program; SIAP2 = Sustainable Infrastructure Assistance Program Phase II.

* SIAP steering committee comprises: Deputy Minister for Infrastructure of BAPPENAS; the Minister Counsellor for Infrastructure and Economic Governance of the Australian Department of Foreign Affairs and Trade; and the ADB Country Director. The committee agreed that the following aspects must also be considered during evaluation of proposed infrastructure financing and planning activities: (i) inclusion of people with disabilities, (ii) inclusion of customary law communities, (iii) replication potential, and (iv) potential for significant policy impact.

** As specified in SIAP2 TA Report.
