

### CONTRIBUTION TO STRATEGY 2030 OPERATIONAL PRIORITIES

OP No.	Corporate Results Framework Indicators (Outputs and Outcomes)	Expected Value	Methods and Comments
1.1	People benefiting from improved health services, education services, or social protection (number)	TBD	The TA will not directly establish childcare services but will provide policy recommendations for improving them. This will contribute to achievement of the PRC's Fourteenth Five-Year Plan targets for improved childcare services, including increasing the average number of childcare places to 4.5 per 1,000 population by 2025.
2.4.2	Child and elderly care services established or improved (number)	TBD	The TA will not directly establish childcare services but will provide policy recommendations for improving them, which the national and subnational governments may consider for adoption and implementation.
6.2.1	Service delivery standards adopted and/or supported in implementation by government and/or private entities (number)	TBD	The TA will not directly establish standards for childcare services but will provide policy recommendations for improving them, which the national and subnational governments may consider for adoption and implementation.

OP = operational priority, PRC = People's Republic of China, TA = technical assistance, TBD = to be determined.
