

ADB Internal SDG Alignment & Engagement

DMC Achievement of SDGs

SDG alignment of key planning and reporting mechanisms

Improved alignment of planning and reporting with SDGs:

PLANNING	REPORTING
S2030 CRF	SDG Corporate Report
7 OPs/KMAP/etc.	DefR
S/TG Frameworks	[7 OPs/ KMAP/etc.]
CPS, R/PS	[S/TG Reports]
COBP	[CPS FRs]
RRPs	[Completion Reports]

RDs, PSOD, and SDCC plan and assist DMCs on SDG issues and implementation

Supporting DMCs on SDG implementation

National and sub-national SDG architecture Strengthened	Improved integration of SDGs into national and sub-national development plans
	Increased financing to support SDG attainment
	Improved data on SDG achievement

CONTRIBUTION TO SDG ATTAINMENT

PCS, DMF integrate SDGs

Enhanced systems and processes to track SDG alignment

Undertaking, commissioning, and partnering for SDG knowledge products

Improved knowledge and understanding of SDG issues in Asia / Pacific among key audiences

Increased achievement of SDG aligned outcomes from ADB projects, including in context of COVID-19 recovery support

Convening periodic bank-wide coordination

Improved coordination and information sharing on SDGs across ADB

Convening key stakeholders on selected SDG topics

Increased ADB assistance (projects, programs, non-lending; SOV / NSO / TA) reflecting principles of SDG agenda (Leave no one behind , integrated solutions, innovation, mobilizing finance, partnerships)

Delivery of training and capacity building on SDG topics

Increased understanding and focus on SDGs amongst ADB staff

Coordinating MDBs, commissioning and undertaking research on SDGs and MDBs

Joint MDB approaches to SDG measurement and reporting

Undertaking SDG enabling research: acceleration, etc.

Accelerator criteria developed, refined, and applied

- Key ADB Topics:**
- Regional SDG progress and prospects
 - Social protection
 - Natural capital and climate change
 - Governance and localization
 - Domestic resource mobilization
 - Gender
