	Improving institutional framework and financial services to support women micro-entrepreneurs			JICA	Developing the national seed business to meet demand from international seed enterprises, and a master plan for quality and safety inspections of milk and dairy products.
			EBRD	Support growth and competitiveness of SMEs, the finance sector, and sustainable public infrastructure, including with private sector participation. Providing business advisory services for micro, small and medium businesses.	
		UNDP	Support development of a favorable trade environment and capacity to bring local products to market		

ADB priorities	Current ADB Strategy and/or Activities	Other Development Partners' Strategies and/or Main Activities			
		Multilateral Institutions and the UN System		Bilateral Institutions	
		WB, SECO, DFID, EC	Support competitiveness of firms in tourism, apparel manufacturing and construction materials, Development of integrated treasury system; automation of the Chart of Accounts; institutional and human capacity for PFM; social protection system, budget process; internal control and audit functions.		
B. PATHWAYS FOR ADB TO IMPROVE ACCESS TO PUBLIC AND SOCIAL SERVICES IN CPS 2018–2022					
Water Supply and Other Municipal Infrastructure and Services: More people with access to improved water supply and sanitation services	Rehabilitation of urban sewerage systems, sanitation in Issyk-Kul oblast.	EBRD	Rehabilitation of urban water supply and sewerage systems in cities. Improvement of solid waste management in Bishkek. Capacity building of water operators.	SDC, SECO	Rehabilitation of water supply systems and sanitation in rural areas. Disaster-risk reduction activities.
	Improvement of sustainability, operation and maintenance of water supply and sewerage facilities. Capacity building of water operators.	WB	Urban development. Street lighting in secondary cities. Energy efficiency of urban public infrastructure.	GIZ	Water management, transboundary dialogue on water resources management; support for sustainable natural resource management.
	Climate resilience and disaster risk reduction in water resources management	WB, IsDB	Rehabilitation of water supply systems and sanitation in rural areas. Disaster-risk reduction activities. Designing the sanitation strategy in rural areas.		
		UNDP/ UNECE	Wash program at school (sanitation facilities), monitoring. Enhancing Transboundary Cooperation and IWRM in Chu-Talas River Basins.		
Education: Quality, results-oriented skills development	Modernization of TVET infrastructure and improved quality of training relevant to the labor market needs	WB, GPE	Preschool: ECD; school preparation classes	AKDN	Community-based kindergartens; ECD; entrepreneurship and life skills, vocational courses, infrastructure, equipment
		WB, EC, UNICEF	Basic education: access; textbook development and printing; school		

ADB priorities	Current ADB Strategy and/or Activities	Other Development Partners' Strategies and/or Main Activities			
		Multilateral Institutions and the UN System		Bilateral Institutions	
	Improvement of higher professional education	EC	infrastructure and advisory boards; teacher training TVET: adult education policy, entrepreneurship and life skills, curricula development. TEMPUS Programme: networking and partnership, quality assurance, introduction of two-tier system.	GIZ, USAID, AKDN, SFK SFK	Curriculum reform; literacy and reading skills; teacher training; community engagement Higher education curricula
Agriculture, Natural Resources and Rural Development: Strengthened agricultural services, improved climate change adaptation and disaster resilience of infrastructure and rural livelihoods	Planned ADB activities to strengthen agricultural services delivery. Climate change and disaster resilience to be strengthened with a focus on water resources, floods, landslides, and drought risks.	WB UNDP, UNECE, OSCE EBRD	Capacity building and equipment modernization of Kyrgyz Hydromet for improved forecasting and analysis. Seismic risk management Supporting climate resilience and transboundary water resources management in the Chu-Talas basin through several projects. Climate change adaptation investment	JICA	Supporting disaster risk reduction in the transport sector
C. PATHWAYS FOR ADB TO LEVERAGE REGIONAL COOPERATION AND INTEGRATION IN CPS 2018–2022					
Leverage Regional Cooperation	CAREC program building on ongoing support for economic corridors and special economic zones CAREC sector strategies and sector action plans Regional transport links; power transmission; trade facilitation and trade policy	EC UNESCAP UNDP WB	Social protection; local infrastructure; governance; border management Trade facilitation; capacity building for single window development Coordination of EU financed regional programs on integrated border management; regional environment initiatives; migration governance	SDC/SECO USAID JICA GIZ	Export diversification; agriculture; tourism Legal and regulatory reforms to support trade facilitation; customs reforms; tourism development; agriculture Transport connectivity; transport infrastructure; agro-value chains Regional economic program; trade facilitation

ADB priorities	Current ADB Strategy and/or Activities	Other Development Partners' Strategies and/or Main Activities			
		Multilateral Institutions and the UN System		Bilateral Institutions	
	CAREC Institute outreach activities	EBRD	Trade facilitation; power transmission; transport connectivity; agro-value chains		
		OECD	Trade facilitation; transport and power sector connectivity		
		UNIDO	Trade facilitation; transport connectivity		
		EADB	Trade facilitation		
			Transport connectivity; trade facilitation
